

## SHEER BLINDS

### SOPHISTICATED STYLE

The softer side of sheer fabric lets you create just the right ambiance. Sheer fabric is draped over opaque louvers so you can easily transform your windows into the perfect view.

## CUSTOM GRAPHIC SHADES

### PRACTICALITY MEETS SUPERIOR STYLE

Easy to operate and completing the space...  
 Print photo, company logo, artwork, advertizement  
 and more on cellular and roller shades.  
 Choose from different style of fabric & opacity levels.

## SOLAR SHADES

### RELIABLE OPERATION, LASTING STYLE

An ideal choice for anyone wishing to maintain an exterior view while keeping heat out and coolness within. Solar shades also block UV rays, protecting interiors and minimizing TV & computer screen glare.

## VERTICAL & HORIZONTAL BLINDS

### CAPTIVATING CLASSICS

An artful way to cover large windows and patio doors.

On-trend colors, styles and textures ensure a designer look. Coordinate with Horizontal blinds for a total room solution.

## CELLULAR SHADES

### ENERGY-EFFICIENCY WITH STYLE IMPACT

Cellular Shades insulate windows to keep rooms warmer the winter and cooler in the summer. Choose from four opacity levels, three cell sizes and a range of on-trend fabrics and colors.

## SLIDING PANELS

### MODERN AND FUNCTIONAL

Use Sliding Panels to cover wide windows and patio doors with materials that coordinate with Roller, Solar, or Natural shades. They are also a creative choice for room dividers and closet doors.
